A copy of GO No L 12002-17/Mel 163-42-55 Dy 12-6-1945 fixing the scales of pay of certain water works estt under the Bureau of Sanitary Engineering is put up

2. From the GO it is seen that the Pay now proposed by the Municipal town Mcee do not correspond with the Pay fixed in the GO

3. The pay proposed by the Mcee is less than the Pay fixed by Govt. If agreed, the Dy Commr, Tumkur will be requested to ask the Municipal town Mcee whether they are now at least willing to adopt the scale fixed in the GO so that the scales of Pay may be uniform in all the Mcees

Submitted with reference to para 7 supra

22/10 4. Since the Scale sanctioned in the above GO are applicable only to the cases of installations under the control of the Bureau of Sanitary Engineering, the same may not be applied to those cases where the control of water supply is vested in the Mcee itself. The scales of pay proposed in the case of Municipal Towns are quite consistent with the financial condition hence a draft GO may be put up (Along with the proposed D.O. if any given, the copy will be much more than what is required by the Mcee)
